FORWARD

Cary Thompson
Touch Historian, Author
and former F.I.T. President

This document contains the complete list of games, history and statistics of teams competing in the World Cup Touch Tournaments from 1998 up to and including 2019. These records are compiled from all games on the official records and they include round robin games, play off, semi finals and finals.

It shows the results, touchdown when recorded, and the participants who contributed to the making of this document. There will be incorrect spelling of names, errors and omission of some players and officials

To ensure the accuracy of the data could you please advise of any such errors, omissions or name changes etc. to the Federation of International Touch
