\*Victoria Storm  
\*Western Tigers

**Cary Thompson  
Touch Historian**

The Australian Secondary Schools Touch Association in conjunction with the TFA designed an elite level competition to allow for competitive touch across a wider sector of the schools system and the community. Previous competition was limited to State based teams. Recent years have seen New Zealand teams attending to compete in the preliminary rounds, but not the finals series. A NSW development squad has been added to the tournament.
