Touch started in Australia as fitness and skills training for players involved in both rugby league and rugby union in the 1960's. In 1968 the first official game of Touch was played at Snape Park at Kingsford South Sydney. The competition was small, being between local clubs, but a formalised set of Rules based on Rugby League were quickly adopted. In 1976 a competition between neighbouring districts was formed and it was named the Vawdon Cup

This document traces the History of Touch Football Australia and the results it has achieved at F.I.T. sanctioned events. Whilst playing international touch games at some endorsed F.I.T events, some records are sketchy or were not kept and do not form part of the official History for Australia.

From these humble beginnings the sport is rapidly grown to be enjoyed by young and old. Australia are current World Champions and have held the title since the inaugural event in 1988.
