

AUSTRALIAN TOUCH ASSOCIATION

PRESENTS

RESULTS OF THE

2006 NATIONAL YOUTH TOUCH LEAGUE

COFFS HARBOUR, N.S.W.

During 2006 the then TFA administration decided in their wisdom to not invite their volunteer Touch Historian to attend the Championships citing costs etc as a reason. They instead decided to provide him with the data remotely after the event. Such was the success of this exercise that much of the internal controls during the tournament were not present and much of the data not recorded especially touchdown scorers.

Massive efforts by the current TFA staff has failed to locate any source documents so that the event can be fully reconstructed. It has taken three years to reconstruct the data that is available with much data lost forever.
