

HUNGARY

**INTERNATIONAL
RESULTS**

This document traces the History of the Hungary Touch Association and the results it has achieved at F.I.T. sanctioned events. Touch in Hungary started off in 2006, like many countries, with a few people throwing a ball around in a park. The first team, Budapest Islanders, was formed in 2007 with their first competitive games coming from a sports exchange with Vienna.

The year 2008 saw the first chance for International Touch. In a joint venture with our colleagues from Austria and Czech Republic we competed in the 2008 European championships as the Central European Barbarians.

Hungary became a Member of the Federation of International Touch in 2011 and participating in the Touch World Cup as a nation in our own right competing in the mixed open section. A world record was set by having the youngest touchdown scorer at a world cup.

Their next foray into the International arena was the 2012 European Championships
