Try Scorers

The history of the Seniors NTL goes back to 1998 when the National Championships format changed.. The success of the Open divisions NTL the year earlier was the forerunner for the Senior divisions to move from State verses State series to a Franchise verses Franchise competition

Information regarding scorers in several games in 2006 is missing. Much of it was never recorded electronically and paper records have since disappeared despite a mammoth effort by the TFA office staff to locate them.

If anyone can provide TFA with 2006 data of the games where information is missing maybe many of the gaps can be filled.

There will be errors in this data especially spelling and where last names have changed by means of personal circumstances. Any errors or omissions can be notified to me or Touch Football Australia

Attached is the history of Touchdowns scored at the events from 1997 to 2022 and if there there are any error or omissions please notify caryandgwenda@bigpond.com
