JUNIOR TOUCH CHAMPIONSHIPS 2015

England Touch were selected to host the 2015 Junior Touch Championships, over the weekend of August 22/23, at Nottingham University. The very first Junior Touch event was held in Swansea, 2014 as part of the European Touch Championships. Europe now attempts to reach out to more Countries to participate in Junior Development.

The JTC is about providing an opportunity to encourage young adults to participate in the sport of Touch. As they do, they develop and feed into a constant stream of young talent, providing the building blocks for the future of the sport.
