**INTERNATIONAL  
RESULTS**

This document traces the History of the French Touch Football Association and the results it has achieved at F.I.T. sanctioned events.

Whilst playing international touch games at some endorsed F.I.T events, some records are sketchy or were not kept and do not form part of the official History for France.

Credit must go to Georges Grossi who set the ball roiling for the establishment of the sport in France. Touch Rugby France (TRF) was set up in October 2001 and was based in the French Alps in the town called Grenoble. Since 2002 Touch Rugby France has been officially affiliated with F.I.T.

Committees were formed and Strategic planning ensured the future of the game. They entered the European Championships in 2002 and placed a creatable fifth. France first attended the World Cup in South Africa in 2007 and placed third in the Mens 35 Years Division.

Eric and Linda Acker become the backbone of the organisation for several years and developed the sport to a level where they won the inaugural FIT sanctioned Mainland Cup in 2013.
