Touch Historian and Author

This document traces the results, statistics and Head to Head confrontations of Touch Football Australia's' National Opens Touch League from 1997 to 2023

The Elie 8 competition which was introduced in 2011 was replaced in 2019 by the NRL Touch Premiership. An event for Mens and Womens Open teams played before the main NRL game at various venues throughout the year.

In 2013 Mens and Womens Open divisions were replaced with the T-League divisions comprising of youth and open players as the Elite 8 drained the permits of the elite Men and Womens players. In 2019 Mens and Womens Open Division were reinstated.

The information was provided by records held by the TFA and recorded, assembled and collated by Cary Thompson.
