Hunter Western Hornets Touch

Junior Regional Championships

The Western Districts Junior Championships are named in honour of Don Green. Don has been a stalwart for the sport of touch football in the Hunter region, NSW and beyond. His service to western NSW touch football has been instrumental, and is considered one of the best selectors in the country.

His experience in selecting from local club, CHS, regional, state and national levels during his time with the sport is amazing. The Hornets Western Junior Championships are named in his honour and he still plays a vital role in the events success. Don is an extremely valued member of our region and was awarded Life Membership with Hornets in 2008
