

ALL NATIONS CHAMPIONSHIPS

AUCKLAND
2005

Cary Thompson **Touch Historian**

Former FIT President
Former TFA Vice President
Board member and
Coaching Director

The All Nations Touch Tournament was a surprise announcement made by the then CEO of Touch New Zealand during the World Cup presentations ceremony in Japan in 2003. Without consultation with the Federation of International Touch, TNZ proposed the event in response to their unsuccessful bid for the 2007 World Cup which was won by South Africa. Such was the history of the event.

Touch New Zealand in fact did not want FIT sanctioning of the tournament as they wanted to conduct it under their own auspice. Without FIT involvement the validity of the championships was always in question as Federation officials would not be present to authenticate the results.

The Federation, in order to allow FIT member nations to attend without running foul of the "Unaffiliated Rule" endorsed the event as a Touch New Zealand tournament.

Needless to say the then administration of TNZ whilst conducting a successful championship failed to notify FIT of the results and data pertaining to the tournament. The current TNZ organisation has "bent over backwards" in an effort to secure these details but could only find documents that recorded day 2 and day 3 results. Thanks are extended to Peter Shefford for his efforts in finding all the results

Attached are the results and if there are any errors or omissions please notify the Federation of International Touch
