

European Representatives Youth Caps

EUROPEAN YOUTH REPRESENTATIVES

When I founded the European Championships in 1996 I saw a bright future for the sport in Europe. In an interview with Sky B Television I said the event would become the largest Regional Touch Tournament in the world within 20 years and it fulfilled this prediction two years early.

The introduction of the Youth Tournament is an initiative of the Organising Committee and they are to be congratulated for their vision and foresight.

This document contains the representative history of the participants at the European Youth Cup later to become the European Youth Championships.
