**RESULTS**

This document traces the History of the Tahiti Touch Association and the results it has achieved at F.I.T. sanctioned events. Whilst playing international touch games at some endorsed F.I.T events, some records are sketchy or were not kept and do not form part of the official History for Tahiti.

In 2003 Rugby coach/player Charles Tauziet bought a team of Rugby enthusiasts to participate in the touch event at the South Pacific Games in Suva. As Rugby player they learnt valuable skills playing against experienced Touch players and they returned home vowing to come back with a new enthusiasm and skill set.

In 2007 they again finished eighth but a learning curve saw them in 2009 finish a creditable sixth. They have yet to apply for admission to the Federation of International Touch but the sport is widely played as a recreational activity in Tahiti.

It is hoped one day Charles might bring a team to the World Cup
