INTERNATIONAL RESULTS

This document traces the History of the Greek Touch Football Association
foray into International Competition.

On the 14th May 2004 Stephanos Siozos wrote to the Federation seeking
assistance with the set-up and promotion of a Touch Football Federation in
Greece.

A template on the organisation and structures was forwarded to him but it was
not until 2017 that touch first became prominent within the Greek community
when the Hellenic Touch Association was founded by Philippakis
Konstantinosts to develop the sport in that country

In December of that year the Association was recognised by the
Court of Peace of Amarousi, Attica.

In October 2023 Greece joined with Lebanon and Sri Lanka for a "friendly" test
series in Milperia, New South Wales
