**INTERNATIONAL  
RESULTS**

This document traces the History of the Luxembourg Touch Football Association and the results it has achieved at F.I.T. sanctioned events. Whilst playing international touch games at some *endorsed* F.I.T events, some records are sketchy or were not kept and do not form part of the official History for Luxembourg.

Touch has been played as an offshoot of Ruby in Luxembourg for many years. Indeed they have held a charity day called the Tim Shepard Charity Tournament with its theme "Kick Cancer Into Touch" and has been running annually since 2003. In 2005 the then Vice President of French Touch, Pierre-Yves Dekerck spoke with Alex Van Zeeland, Joe Lister and Stefan Focas about formalising the sport and joining the International Organisation.

The three local approached the Luxembourg Rugby Federation who lent their support, equipment and services to form the Touch body to give the sport its own identity in that country and the organisation was named the Le Sport-Loisir de Touch Rugby à Luxembourg. They made their International debut in 2011 at the World Cup in Scotland then 2012 at the European Championships in Italy followed by the Mainland Cup in 2013 in Austria.
