FOURTH WORLD ALL SCHOOLS TOUCH TOURNAMENT

9th to 12th October 2008

White Hill, Brisbane

Australia

The **World All Schools Touch** Tournament is an event created by the Federation of International Touch in conjunction with the Regional Organising Body of Schools Sport in the Country where the competition was conducted.

The event was originally scheduled to be played in the year 2000 in Fiji but the Australian Government banned Fiji from international Sporting contacts with Australia due to the coup which installed an unconstitutional government in Fiji at the time. Consequently it was moved to the Gold Coast of Australia and played in October 2001 replacing the Queensland All-schools tournament.

It was moved out of Australia in 2006 and conducted in Singapore with the assistance of Touch Singapore and Bryan O'Connor who had liaised for some time with the International Schools in that country
