

GERMANY

**INTERNATIONAL
RESULTS**

This document traces the History of the German Touch Association and the results it has achieved at F.I.T. sanctioned events. Whilst playing international touch games at other endorsed F.I.T events, some records are sketchy or were not kept and do not form part of the official History for Germany.

Mathew Innes from Munich created the Deutschland Touch Rugby organisation in 2002 and arranged with the then Director of Referees' in Australia to provide coaching course for their officials. At the same time Claudia and Robert Macgregor from Berlin were also creating interest in Touch in that city.

Germany entered the International arena when they were awarded the 28th Membership of the Federation on 10th March 2003.

"First International Friendly" for Deutschland was played against France on the 19th of September 2003 in Grenoble. On 27th November 2003 Robbie Macgregor united Touch groups in the cities of Berlin, Bremen & Munich to form Touchrugby Deutschland

Their first foray into International Competition came at the 2004 European Championship held in Jersey where they finished a creditable sixth.
