

PHILIPPINES

**INTERNATIONAL
RESULTS**

After Al Cabansag tried to formally organise Touch in the Philippines without much success but December 2003 saw Dan Skimin from the Philippines Rugby Referee Group seeking assistance from Bryan O'Connor and Darren Blakeley from Touch Singapore for resources to develop the sport throughout that country.

in 2006 Rey Gigataras from the University of the Philippines Touch Rugby took up the challenge and contacted the FIT Coaching and Referee's Director for assistance in coaching the local coach and referees.

With further assistance from Touch Singapore the sport has grown from select international school teams to about fifteen (15) club, university and grassroots teams with approximately 500 players from around the Philippines
