

CANARY ISLANDS

INTERNATIONAL RESULTS

This document traces the History of the Canary Islands foray into the International Touch Arena. Brian Charles from Club Deportivo Rugby on Gran Canaria contacted FIT in late 1999 to look at attending the European Championships in Scotland in July 2000.

An invitation was extended to Club Deportivo Touch (which was subsequently formed) to represent the Islands at the Tournament. Discussions were held at the event to have the organisation on the Island form a National Association to represent Spain at future events.

Competing groups within the mainland of Spain caused the Federation much angst during and after the Membership process and unfortunately Brian Charles was lost to the mainland infighting and lost to Touch which was sad for the Canary Islands as they only ever competed in one FIT event.

If there are any errors or omissions then please notify the Federation
